

# SAHS Business Partner Program Registration Form

**2023-2024**

Thank you for supporting St. Augustine High School's Business Partner Program! School partnerships are vital relationships between a business, agency or organization and a school or the district. We all work together to enhance our schools and the education our children are receiving. SAHS Business Partners that join now will be recognized for the 2023-2024 academic school year. Business Partners allow us to enrich the educational experience of our students by providing classroom resources, field trips, learning incentives and upgrades to technology. We welcome you as our partner and look forward to working hand in hand to provide our students the best education possible.
