

SAHS PTO Meeting
February 28, 2023 5:00pm
The VIBE Nutrition Center

MEETING MINUTES

Attendees: Jen Stevenson, Carla Silano, Dana Evans, Dr. Graham, Aubrey Mulligan, Cathi Rivera, Jennifer Sartiano, Heather Mowrey, Brent Bechtold, Jessica Capps,

Welcome / Approval of January Minutes – Meeting is called to order at 5:10pm. Jo Ellen Parkey unable to attend so January Minutes not available to approve.

Principal Report/SAHS Updates –

Treasurer Report – Financials are on track. Current account is at \$39,953.67. Missing 2 spirit night checks – Zaxby's and J. Crew. Aubrey to f/u on Zaxby's and Jen Stevenson to contact Jessica Hoffman re: J. Crew. With the amount of funding in our account, we discussed possible purchases including paving the area behind the school to add approx. 60 parking spaces. Dr. Graham will go back to his team and find out what school's needs are.

Membership Outreach/Power of an Hour Updates – Jennifer Sartiano not present for this agenda item.

Arrive Alive Tour – Heather working with Nassau County to arrange for their deputies and car simulator to visit SAHS. Looking to do this the week of prom and in conjunction with another school in SJC. Heather has also reached out to MADD to inquire about a guest speaker on the same day as the car.

Graduation – May 22, 7pm – Ticketing period begins Monday, March 20th after spring break. Jen Stevenson will attend on SAHS faculty graduation meetings. Important dates: April 28th – Grad Bash, May 5th – last day for students, May 15th – Clearance Day (PTO to volunteer), May 16th – Graduation Rehearsal, May 18th – Senior Awards Night. Do have approx. 4 students who could use financial assistance for Grad Bash. PTO will post this on social media. Will also be doing yard signs to graduates as a senior gift from the PTO.

Hospitality – Could use more assistance with Wednesday treats. Cart coming up on May 22nd and April 19th. Souper Bowl on February 10th was a great success. Had good number of volunteers, staff was very appreciative and loved the event. Only problem was short circuiting microwaves (which were really needed to heat up soups). Need to address this for next year.

Capital Improvements – Tables, both round and folding, and water bottle filling station have been purchased. Looking for new projects to fund for next year.

New Business / Old Business –

New Freshman Ideas – t-shirts, yard signs, balloon arch @ orientation, Jacket decorations, water bottles?

Stencils – where are the yellow jacket stencils and have they been painted? Need to do paint them again over summer.

Alumni Assoc – would like to purchase staff gifts; budget is about \$1000 which comes to about \$6 each.

Meeting Adjourns – Motion to adjourn by Dana Evans, seconded by Heather Mowrey. Meeting adjourns at 6:46pm.
